2A — Active Incidents (Past 72 Hours)

Source: [CBS Austin / KEYE](#), [Texas News Now Austin — June 10, 2026](#)

Incident	Location	Relevance
Karmelo Anthony — GUILTY + 35-Year Sentence	Collin County Courthouse / Austin-wide protest watch	HIGH
U.S.–Iran Active Armed Conflict	Middle East (Bahrain / Jordan / Kuwait) — Austin diaspora monitor	HIGH
FIFA World Cup 2026 — Opens TOMORROW (June 11)	Los Angeles / New York / Dallas (host cities) — National threat advisory	HIGH
Blues on the Green — Zilker Park (Night 2 — Final Night)	Zilker Metropolitan Park, 2100 Barton Springs Rd (1.8 mi S of property)	LOW-MODERATE

Karmelo Anthony — GUILTY + 35-Year Sentence: Karmelo Anthony, 19, was found GUILTY of murder Tuesday evening after jury deliberated less than three hours. Immediately sentenced to 35 years in prison. The jury rejected his self-defense claim — Anthony never testified and defense rested without any witness substantiating self-defense. Crowd outside the courthouse broke into shoving, chanting 'Free Karmelo,' and emotional confrontations between opposing groups. Deputies monitored. Wednesday is historically the highest demonstration day post-verdict. Civil rights groups had pre-positioned protest activity. Guilty verdict with 35-year sentence + all-white jury controversy will drive sustained Austin street action. PRIORITY WATCH ZONES: Texas State Capitol grounds, Congress Ave, UT West Mall, 6th Street. Exterior staff must not engage demonstrators. Contact APD non-emergency (512-974-5000) if any crowd exceeds 50 persons within 2 blocks of 98 San Jacinto Blvd. Maintain HIGH posture all day.

U.S.–Iran Active Armed Conflict: ESCALATION CONFIRMED: Iran downed a U.S. Army Apache helicopter near the Strait of Hormuz on June 9. Both crew members rescued in a nighttime special operations mission. U.S. CENTCOM launched 'self-defense strikes' against Iranian targets in southern Iran. Iran's IRGC then struck: U.S. Fifth Fleet Headquarters in Bahrain; U.S. airbase in Jordan; Kuwait. Active armed conflict between U.S. and Iran — prior ceasefire has collapsed. AUSTIN RELEVANCE: Iranian diaspora in Austin's tech sector deeply alarmed — combination of WC team staged in Tijuana, military strikes, and WC opening tomorrow (June 11). Brief all staff on avoiding geopolitical commentary with guests. Log any suspicious inquiries about U.S. military operations. DHS/FBI emergency protocols now active at all WC host cities.

FIFA World Cup 2026 — Opens TOMORROW (June 11): FIFA World Cup 2026 opens tomorrow, June 11, in Los Angeles. Maximum threat window for the entire WC tournament is NOW. FBI and DHS operating at emergency protocols given the active U.S.–Iran armed conflict. Iranian team staged in Tijuana after U.S. denied their base camp entry. Pre-revolutionary flag protests and anti-Islamic Republic demonstrations expected at the LA opening. Austin FC Soccer Celebration event at Auditorium Shores (1.0 mi S) tomorrow evening — brings 5,000–20,000 to the Riverside corridor. Cyber posture at maximum — phishing, credential harvesting, and guest network exploitation attempts should be treated as near-certain. Report all POS anomalies and network irregularities immediately. IT should conduct guest Wi-Fi infrastructure scan today. Blues on the Green — Zilker Park (Night 2 — Final Night): Final night of Blues on the Green. Nik Parr & the Selfless Lovers and additional local acts. Expected attendance 5,000–15,000. Barton Springs Rd and South Congress corridor congested 5–10:30 PM. Free admission, outdoor, alcohol-permissive environment. Weather-dependent — 30% storm chance 1–5 PM may affect attendance or timing. Elevated intoxicated pedestrian foot traffic near property 9–11 PM. With post-verdict protest activity possible in downtown simultaneously, the combined picture requires coordinated valet and door management.

2B — Civil Unrest / Protest Activity

Karmelo Anthony Post-Verdict — Austin: ACTIVE HIGH (Capitol/Congress Ave / UT Campus / Downtown Austin) — Post-verdict Wednesday is maximum-risk day for Austin demonstrations in this cycle. The 35-year sentence with an all-white jury has social media on fire — 'Free Karmelo' trending nationally. Civil rights groups had pre-positioned for either verdict; guilty with long sentence is more likely to drive sustained street action. Expect rallies at Capitol grounds, marching on Congress Ave, possible convergence toward 6th Street in the evening. No confirmed permitted march in Austin as of 5 AM — expect spontaneous gathering. Monitor X, Telegram, Instagram for Austin-specific organizing keywords. KEY PROTOCOL: If crowd approaches within 2 blocks of 98 San Jacinto Blvd, lock down secondary entrances, post additional staff at lobby doors, notify APD. Do NOT engage demonstrators. Protect guests' movement safely.

U.S.–Iran Conflict / FIFA WC — Iranian Diaspora (ELEVATED) (National (Los Angeles primary) / Austin monitor) — Active U.S.–Iran armed conflict + FIFA WC opening tomorrow + Iranian team denied U.S. base camp entry = highest diaspora community tension of the tournament cycle. Pre-revolutionary 'Lion and Sun' flag protests expected at WC venues (LA, NYC, Dallas). Austin has a notable Iranian tech community — monitor for any local gathering activity near downtown or UT campus. No Austin-specific threat confirmed as of 5 AM.

2C — National Security Context

- U.S.–IRAN ACTIVE ARMED CONFLICT (June 9–10): Iran downed U.S. Army Apache near Strait of Hormuz. U.S. CENTCOM struck southern Iran in retaliation. Iran struck U.S. Fifth Fleet (Bahrain), U.S. airbase (Jordan), and Kuwait. Active conflict ongoing — monitoring required for diaspora tensions, cyber operations, and WC security implications.
- KARMELO ANTHONY GUILTY — 35 YEARS (June 9): Jury deliberated under 3 hours. Crowd at Collin County Courthouse broke into shoving and chanting. 'Free Karmelo' trending nationally. All-white jury controversy intensifies protest sentiment. Post-verdict Wednesday historically drives highest demonstration activity in Austin.
- FIFA WORLD CUP 2026 OPENS JUNE 11 — MAXIMUM THREAT WINDOW: LA hosts opening match. FBI/DHS at emergency advisory posture given active U.S.–Iran conflict. Iranian team in Tijuana. Cyber threat at maximum — phishing, credential harvesting, ransomware advisories in effect. Austin FC Soccer

Celebration at Auditorium Shores (1.0 mi S) tomorrow.

- NBA FINALS — GAME 4 TONIGHT (Knicks vs. Spurs): Expected ESPN broadcast. Trump attended Game 3 at MSG Monday — booed during National Anthem. National political temperature elevated. Presidential security footprint heightened for remainder of series.
