BOTTOM LINE: Wednesday brings the highest combined threat posture since this brief was established. Karmelo Anthony was found GUILTY of murder Tuesday evening and immediately sentenced to 35 years. Crowds outside the Collin County Courthouse broke into shoving, chanting 'Free Karmelo,' and traded insults between opposing groups. Austin civil unrest risk is now at its **PEAK** — protests expected throughout Wednesday on Capitol/Congress Ave corridor and UT campus. Simultaneously, U.S. forces launched retaliatory strikes against Iran after Iran downed a U.S. Army Apache helicopter near the Strait of Hormuz. Iran has retaliated against U.S. Fifth Fleet (Bahrain), a U.S. airbase in Jordan, and Kuwait — this is an active armed conflict. FIFA World Cup opens **TOMORROW** (June 11) — Iranian diaspora tensions are now at their absolute peak given the military conflict; cyber posture is **HIGH**. Heat index 98–102°F today. All senior staff should be briefed before morning shift. Emergency escalation protocols on standby.

Karmelo Anthony — GUILTY VERDICT + 35-Year Sentence (Post-Verdict Day): Karmelo Anthony, 19, was found GUILTY of murder Tuesday evening by a Collin County jury after deliberating less than three hours. He was immediately sentenced to 35 years in prison. The jury rejected his self-defense claim — Anthony never testified and defense rested without a single witness substantiating self-defense. Crowd outside the courthouse broke into shoving, chanting, and emotional confrontations immediately after the verdict was announced. Anthony supporters chanted 'Free Karmelo'; opposing groups celebrated the verdict and called for justice for Austin Metcalf. Deputies stood by monitoring the scene. WEDNESDAY AUSTIN RISK: Post-verdict is historically the highest demonstration day. Civil rights groups had pre-positioned protest activity for any verdict. A guilty verdict with a 35-year sentence is considered by many social justice advocates as disproportionate — all-white jury controversy intensifies the anger. PRIORITY WATCH ZONES: Texas

State Capitol grounds, Congress Ave, UT West Mall, 6th Street. Exterior staff must not engage demonstrators. Contact APD non-emergency (512-974-5000) if any crowd exceeds 50 persons within one block of 98 San Jacinto Blvd. Maintain HIGH posture all day.

U.S.–Iran Active Armed Conflict — U.S. Strikes Southern Iran; Iran Retaliates: ESCALATION CONFIRMED: Iran downed a U.S. Army Apache helicopter near the Strait of Hormuz on June 9. Both crew members were rescued in a nighttime special operations mission. U.S. CENTCOM launched 'self-defense strikes' against Iranian targets in southern Iran in retaliation. Iran's IRGC then struck: U.S. Fifth Fleet Headquarters in Bahrain; U.S. airbase in Jordan; Kuwait (nature of strikes TBD as of 5 AM). This is an active armed conflict between U.S. and Iran — the previous ceasefire has collapsed. Trump spoke with press defending the strikes as 'very powerful.' AUSTIN RELEVANCE (HIGH): Iranian diaspora community in Austin's tech sector is now deeply alarmed — combination of WC team staging in Tijuana, the military strikes, and the WC opening tomorrow (June 11). Expect heightened emotions in any Iranian community gatherings. FIFA WC security posture escalates to its highest level. DHS and FBI will have activated emergency protocols at all WC host cities. Austin is NOT a host city but luxury hospitality targets remain elevated. Brief all staff on avoiding geopolitical conversation with guests. Any suspicious activity or inquiries about U.S. military operations should be logged.

FIFA World Cup 2026 — Opens TOMORROW (June 11) — Maximum Threat Window: FIFA World Cup 2026 opens tomorrow, June 11, in Los Angeles. This is the maximum threat window for the entire WC tournament. FBI and DHS have been operating at heightened posture for weeks and hit emergency protocols today given the U.S.–Iran active conflict. Iranian team is staged in Tijuana after U.S. authorities denied their originally planned base camp entry. Pre-revolutionary flag protests and anti-Islamic Republic demonstrations are expected at the LA opening. Austin FC Soccer Celebration event is scheduled at Auditorium Shores (1.0 mi S) tomorrow evening — brings 5,000–20,000 to the Riverside/Auditorium Shores area. Cyber posture is at its highest level — phishing, credential harvesting, and guest network exploitation attempts should be treated as near-certain. All POS transactions and network anomalies must be reported immediately. Blues on the Green — Zilker Park (Night 2 of 2 — Final Night): Final night of Blues on the Green. Nik Parr & the Selfless Lovers and additional local acts. Expected attendance 5,000–15,000. Barton Springs Rd and South Congress corridor congested 5–10:30 PM. Free admission, outdoor, alcohol-permissive environment. Elevated intoxicated pedestrian foot traffic near property 9–11 PM. NOTE: With post-verdict protest activity possible in downtown Austin tonight, simultaneous large outdoor crowd at Zilker adds complexity to the traffic and crowd management picture. Coordinate with valet for elevated demand.

2B — Civil Unrest / Protest Activity

Karmelo Anthony Post-Verdict — Austin Protest Risk: ACTIVE HIGH (Capitol/Congress Ave / UT Campus / Downtown Austin) — Post-verdict Wednesday is the highest-risk day for Austin demonstrations in this cycle. The 35-year sentence with an all-white jury has social media on fire — 'Free Karmelo' is trending. Civil rights groups had pre-positioned mobilization for either verdict outcome; a guilty verdict with a long sentence is more likely to drive sustained street action than an acquittal would have. Expect rallies at Capitol grounds, marching on Congress Ave, and possible convergence toward 6th Street in the evening. No confirmed permitted march in Austin as of 5 AM — expect spontaneous gathering. Monitor X, Telegram, Instagram for Austin-specific organizing keywords. KEY PROTOCOL: If crowd approaches within 2 blocks of 98 San Jacinto Blvd, lock down secondary entrances, post additional staff at lobby doors, notify APD. Do NOT engage demonstrators. Protect guests' movement safely.

U.S.–Iran Conflict / FIFA WC — Iranian Diaspora Tension (ELEVATED) (National (Los Angeles primary) / Austin monitor) — Active U.S.–Iran armed conflict + FIFA WC opening tomorrow + Iranian team denied U.S. base camp entry = highest diaspora community tension of the tournament cycle. Pre-revolutionary 'Lion and Sun' flag protests expected at WC venues (LA, NYC, Dallas). Austin has a notable Iranian tech community — monitor for any local gathering activity near downtown or UT campus. No Austin-specific threat confirmed as of 5 AM.

2C — National Security Context

- U.S.–IRAN ACTIVE ARMED CONFLICT: Iran downed U.S. Army Apache near Strait of Hormuz June 9. U.S. struck southern Iran in retaliation; Iran struck U.S. Fifth Fleet (Bahrain), U.S. airbase (Jordan), and Kuwait. Active armed conflict — monitoring required for diaspora tensions, cyber operations, and WC security implications.

- Karmelo Anthony GUILTY — 35 Years: Jury deliberated less than 3 hours. Crowd at courthouse broke into shoving and chanting. 'Free Karmelo' trending nationally. All-white jury controversy intensifies protest sentiment. Post-verdict day historically drives highest demonstration activity.
- FIFA World Cup 2026 Opens June 11 (Tomorrow): Los Angeles hosts opening match. FBI/DHS at maximum advisory posture. Iranian team in Tijuana; diaspora protests expected at all WC venues. Cyber threat window at maximum — phishing, credential harvesting, ransomware advisories active.
- NBA Finals Game 4 — Knicks vs. Spurs: Expected Wednesday night (ESPN). Venue TBD. Presidential security footprint from Game 3 (MSG) continues — national political temperature remains elevated.

SECTION 4 — PROPERTY-SPECIFIC SECURITY REMINDERS

- VERDICT RESPONSE — CRITICAL: Karmelo Anthony GUILTY, sentenced 35 years. Post-verdict protest risk is at its maximum. Brief ALL exterior staff at shift start. Establish lobby monitoring protocol. Lock secondary entrances if any crowd exceeds 50 persons within 2 blocks. Contact APD non-emergency (512-974-5000) if demonstration approaches. Do NOT engage demonstrators under any circumstances.
- US-IRAN CONFLICT BRIEF: Brief concierge and front desk — active armed conflict between U.S. and Iran now underway. If Middle Eastern guests inquire about safety, do not speculate; refer to property manager. Log any unusual inquiries about U.S. military operations. Report any suspicious behavior immediately.
- FIFA WC EVE — CYBER MAXIMUM: WC opens tomorrow June 11. Cyber posture is HIGH. Enforce no-click and QR code caution across ALL guest-facing departments now. Report ANY anomalous POS behavior, network activity, or access anomaly immediately. IT should conduct a scan of guest Wi-Fi infrastructure today.
- HEAT PROTOCOLS: Heat index 98–102°F today. All outdoor staff (valet, door, terrace, pool) must take breaks every 45 minutes in air-conditioned space. Cold water mandatory. Any guest or staff showing heat illness signs — call 911 immediately.

- WEATHER WATCH: 30% scattered storm chance 1–5 PM. Monitor radar. Umbrellas at all exterior doors. Advise Blues on the Green-bound guests to check event status. Outdoor terrace and pool seating — implement 10-minute advisory if lightning within 10 miles.
