NWS Flood Watch / Advisory — Active: National Weather Service has issued Flood Watch and Flood Advisory for Travis County effective through Wednesday evening. Heavy rainfall expected afternoon–evening. Valet, outdoor terrace, pool, and lakeside operations at risk. Pre-position drainage crews; have umbrellas staged at entry.

Downtown Hotel Foreclosures — Hyatt Centric & The Line Austin: Both the Hyatt Centric (721 Congress Ave, 246 rooms, \$85M default) and The Line Austin (111 E Cesar Chavez, 428 rooms, \$172M JP Morgan default) were sold at Travis County Courthouse auction Tuesday. Ownership in transition. Expect displaced guests, confused former clients, and competitor staff seeking informal hospitality. Verify all contractor and 'management visitor' credentials carefully.

Round Rock Jewelry Store Robbery Arrests: APD-adjacent arrest: Jaylen Davis (24) and Leslie Olvera (25) arrested for April 21 robbery at Mark Robinson Jewelers, Round Rock Premium Outlets. Surveillance, LPR, and witnesses led to arrest. No Four Seasons nexus; awareness only — note LPR infrastructure working effectively region-wide.

Karmelo Anthony Murder Trial — Day 3: Trial of 18-year-old Karmelo Anthony (fatal stabbing of 17-year-old Austin Metcalf at a high school track meet, April 2025) continues in McKinney, TX. Jury seated. National media coverage ongoing. Protest community tracking verdict. No direct Austin nexus today but potential for organized response upon verdict. Monitor social

media for rally calls in Austin.

FIFA World Cup — Pre-Tournament Soft Target Advisory: Tournament opens June 11. CSIS analysis (May 27, 2026) identifies hotel and bar districts surrounding match venues as primary soft-target concern from domestic lone-actor threats. Austin is not a host city but receives FIFA-adjacent fan traffic. The March 2026 pro-Iran Austin bar shooting cited in CSIS report as threat profile example. Heighten access control and behavioral baseline awareness through tournament period (June 11–July 19).

2B — Civil Unrest / Protest Activity

Sources: [Fox News — Karmelo Anthony Trial](#), [NJ ICE Facility Arrests — June 3, 2026](#)

Karmelo Anthony Trial — Protest Watch (McKinney TX / National (Austin watch)) — National protest community mobilized around trial. Organizations including Party for Socialism & Liberation and Black Lives Matter-aligned groups have signaled readiness to rally upon verdict. No Austin-specific events confirmed for today but monitor social channels. Trial expected to last 1–2 weeks.

ICE / Immigration Enforcement — Ongoing (Texas Capitol, 1.1 mi NNW) — Sustained protest climate around ICE enforcement actions and SB4. Three protesters federally convicted May 28 may energize Austin activist community this week. Texas Capitol (1.1 mi NNW) remains primary rally point. No marches confirmed today; situation fluid. Concierge should offer alternate Congress Ave routing if activity resumes.

Election Security / 2026 Midterms (National) — CBS Austin reporting elevated election security threat ahead of November 2026 midterms. Partisan extremist threat profile remains elevated nationally per DNI 2026 ATA. No direct property nexus but sets broader threat landscape. High-profile political guests may require enhanced protocols.

2C — National Security Context

- CSIS (May 27, 2026): Hotel and bar districts surrounding FIFA WC venues are the primary soft-target concern from domestic lone-actor threats. March 2026 Austin bar shooting cited as threat profile exemplar. Tournament begins June 11 — advisory window now active.
- DHS threatens to withdraw CBP from 'sanctuary city' airports (Boston, Chicago, LA, NYC, Seattle, Denver, SF) — would cause significant international travel disruption and rerouting for international guests. Monitor for impact on Four Seasons international guest arrivals.
- DNI 2026 Annual Threat Assessment: Domestic lone-actor and partisan extremist threats against soft targets remain top homeland concern. Election security threat elevated ahead of November 2026 midterms per CBS Austin reporting.
- Karmelo Anthony trial (McKinney, TX) entering evidence/testimony phase. National activist community monitoring closely. Verdict-reactive demonstrations possible in major Texas cities including Austin — maintain social media monitoring protocol.
- Portugal general strike (June 3, 2026) disrupting flights via Lisbon/Porto — may affect European guests with Portugal connections. Concierge should be prepared to assist with rebooking inquiries.

SECTION 4 — PROPERTY-SPECIFIC SECURITY REMINDERS

- **WEATHER PRIORITY:** Pre-brief all outdoor stations (valet, pool, terrace, lakeside F&B;) by 1300 — Flood Watch active. Have clear indoor contingency plan for all outdoor operations.
- Stage umbrellas, rain gear, and towels at main entry and porte-cochère by noon.
- **Engineering/Maintenance:** check basement, mechanical rooms, and drainage systems proactively before storm arrives. Assign monitor for duration of storm event.
- **Displaced Guests:** Two downtown hotels (Hyatt Centric, The Line Austin) in ownership transition. Verify all non-Four Seasons contractor, management visitor, and 'transition team' credentials carefully. Do not assume legitimacy from former hotel affiliation.
- **FIFA WC Prep (June 11 activation):** Begin briefing security supervisor on CSIS soft-target advisory. Hotel and bar districts flagged — heighten access control and behavioral awareness through July 19. Review lobby loitering and bag check protocols.
- **Evening Events:** IDEA Gala (Max Frost) at ACL Live — expect well-dressed VIP walk-ins for post-event bar. Valet peak 1830–2000, post-show surge 2200–2330. Have additional valet staff staged or on-call.
- Maintain access control discipline at all entries during afternoon storm period — weather events create cover for tailgating and unauthorized entry as guests rush indoors.
