FIFA World Cup — ISKP Propaganda / Cyber Threat Window Now Active: CCCS Cyber Threat Bulletin (May 29): FIFA WC 2026 will 'almost certainly' be targeted by cybercriminals (phishing, ransomware, fraud) and 'very likely' by hacktivists. Travel/hospitality sector specifically called out as target. 2B — Civil Unrest / Protest Activity

Sources: [Fox News — Karmelo Anthony Trial](#), [NJ ICE Facility Arrests — June 4, 2026](#)

Karmelo Anthony Trial — Protest Watch Elevated (McKinney TX Courthouse / Austin (monitoring)) —

Demonstrators present daily at Collin County Courthouse as trial proceeds. Jury composition controversy (no Black jurors after race-neutral ruling) is amplifying national attention. Opening statements today will draw peak media coverage. PSL, BLM-aligned, and local Austin activist groups monitoring closely. Verdict-reactive demonstrations in Austin expected upon conclusion — trial expected to conclude by end of next week. Brief front desk/concierge on contingency routing via Trinity/Lavaca away from Capitol/Congress.

ICE / Immigration Enforcement — Persistent Background Threat (Texas Capitol (1.1 mi NNW) / National) —

Three activists federally convicted May 28 for courthouse obstruction of ICE enforcement. Ongoing SB4/ICE protest climate. Texas Capitol remains primary rally point; no Austin marches confirmed for today. Monitor for opportunistic activity during downtown heavy event night when crowds are elevated.

Rick Chow Verdict Fallout — Community Organizing (National / Austin (monitoring)) — Not Guilty verdict in Rick Chow trial (killing of 14-year-old Cyrus Carmack-Belton) announced Wednesday — civil rights leaders and attorneys holding press conference. Adds to national racial justice protest energy alongside Karmelo Anthony trial. Monitor Austin activist social channels for any organized response locally.

2C — National Security Context

- CCCS Cyber Threat Bulletin (May 29, 2026): FIFA WC 2026 'almost certainly' targeted by cybercriminals; travel/hospitality sector specifically identified as high-value target for phishing, ransomware, and credential theft. Hotels are explicitly called out.
- Command Eleven / ISKP (May 29, 2026): Islamic State Khorasan Province distributing tactical guides encouraging lone-actor attacks at soft targets including hotel corridors, fan zones, and transit hubs during World Cup. Domestic extremists also identified as active threat.
- Rick Chow Not Guilty verdict (Wednesday): Civil rights community organizing nationally. Adds to protest energy alongside Karmelo Anthony trial. Austin-specific activity possible.
- DHS: Potential withdrawal of CBP from sanctuary-city airports (Boston, Chicago, LA, NYC, Seattle, Denver, SF) would disrupt international travel connections for Four Seasons guests. Monitor for policy development — concierge should have rebooking assistance protocols ready.
- APD Camnik Campbell cold case breakthrough: Ballistics link Austin 2022 murder to Houston case — demonstrates active cross-jurisdictional forensic cooperation in Central Texas region.

Expect significant foot traffic on Red River and 12th St before show, major rideshare/Uber surge post-show (~2230–2345). Storm risk at outdoor venue could push crowds downtown earlier than expected.

Wait Wait...Don't Tell Me! (NPR Live): NPR's live quiz show at Bass Concert Hall — older, professional crowd. High probability of sold-out attendance. Rideshare congestion on Guadalupe and MLK post-show (~2130–2230). Low security risk; high probability of guests/visitors attending.

Alok Vaid-Menon: LGBTQ+ author/activist/performer at Paramount on Congress Ave. Diverse activist-adjacent crowd. Congress Ave foot traffic elevated pre/post show. Potential for small counter-protest presence given current political climate — monitor for activity near Congress Ave entrance.

Barton Hills Choir — Grateful Dead Tribute: Local community choir performing Grateful Dead music at ACL Live 3TEN. Neighborhood-friendly crowd; dispersal ~2200–2230.

Vundabar (w/ Goon): Indie rock at Mohawk — adjacent to Moody Amphitheater corridor. Combined Red River/Rainey St foot traffic elevated all evening.

SECTION 4 — PROPERTY-SPECIFIC SECURITY REMINDERS

- **MULTI-EVENT NIGHT:** Coordinate with valet manager for surge staffing — Moody Amphitheater (5,500), Bass Concert Hall (3,000), Paramount (1,200) all dispersing 2200–2345. Have at minimum 2 additional valet on standby from 2100 onward.

- **KARMELO ANTHONY TRIAL:** Opening statements today. Brief security team on verdict-reactive protest protocol — Texas Capitol and Congress Ave are primary Austin rally points. Trial expected to conclude by end of next week — maintain monitoring posture.
- **ALOK VAID-MENON** (Paramount, 0.4 mi): Monitor Congress Ave between 1930–2030 and 2200–2300 for any protest/counter-protest activity adjacent to show. Low probability but notable.

- Verify all non-Four Seasons 'management visitor' and contractor credentials — Hyatt Centric and The Line Austin remain in ownership transition; displaced staff inquiries may continue.
