

DAILY INTELLIGENCE BRIEF

Four Seasons Hotel Austin — Staff, Guests & Patrons

Monday, June 1, 2026 | 0600 CDT | 98 San Jacinto Blvd, Austin, TX 78701

Distribution: Security Leadership · Concierge · Front Desk · Valet · F&B Management

Prepared: Security Office // 41

THREAT LEVEL SUMMARY

Domain	Level	Trend
Physical Security	MODERATE	Stable
Civil Unrest	LOW-MODERATE	Watch
Cyber / Fraud	MODERATE	Elevated
Weather	LOW	Clear
Travel / Mobility	LOW	Clear

BOTTOM LINE: No direct threats to the property. Elevated awareness warranted due to active ICE-related protest activity near the Texas Capitol (1.1 mi NNW), multiple large-scale public events driving downtown foot traffic, and a recent high-profile religious institution shooting nationally that warrants heightened awareness at visible luxury properties. Day shift should plan for above-normal pedestrian and vehicle congestion throughout the afternoon and evening.

SECTION 1 — WEATHER & ENVIRONMENTAL

Source: [NOAA / National Weather Service Austin](#)

Parameter	Value
Current Temp	76°F / 24°C

Parameter	Value
Today's High	93°F
Humidity	91% — oppressive; heat stress risk for outdoor staff
Wind	Variable, 3 mph
Sky	Partly Cloudy overnight → Decreasing Clouds today
Precipitation	None forecast for Austin proper today
Dewpoint	73°F — muggy at all times

Operator Notes:

- Heat index will push into the mid-to-upper 90s by afternoon. Outdoor-facing staff (valet, pool deck, entry posts) should rotate more frequently, maintain hydration, and monitor guests for heat illness on lakeside terraces.
- Thunderstorm threat returns Tuesday Night through the remainder of the week — begin monitoring for event-day impacts on outdoor guests and F&B; operations.
- No severe weather alerts currently active for Travis County.

SECTION 2 — LOCAL THREAT PICTURE

2A — Active Crime & Incidents (Past 72 Hours)

Source: [CBS Austin / KEYE](#)

Incident	Location	Relevance
Vehicle pursuit / arrest	North Austin	Low — distant from property
Suspected homicide — deceased person	South Austin	Low — distant; APD investigating
Bar fire investigation — Bar Peached	West 6th St (~0.8 mi W)	MODERATE — arson not ruled out; active investigation near entertainment corridor
3 DWI arrests (under-21)	Manor (outskirts)	Contextual — weekend drinking trend
U.S. Marshals fugitive — Edgar Talamantes (36)	At large, Austin area	MODERATE — supervised release violator; wanted
U.S. Marshals fugitive — Kevin Waguespack (41)	At large, Austin area	MODERATE — 2015 murder warrant; long-term fugitive
Silver Alert — Jack Mayberry, 69	Lockhart (SE of Austin)	Low for property; brief front desk on elder vulnerability awareness

Trend Context: Austin violent crime is down ~7% YTD vs. 2025, and homicides fell 11% in Q1 2026 ([Axios Austin](#)). The property sits within a statistically safer downtown pocket, but the weekend-to-Monday transition period historically sees increased DWI risk and post-event friction on 6th Street.

2B — Civil Unrest / Protest Activity

Source: [CBS Austin — ICE Protest Report](#)

- ICE / Immigration Protests: Dozens demonstrated at the Texas Capitol (11th St & Congress Ave, ~1.1 mi NNW) on May 30, organized by the Party for Socialism and Liberation and La Frontera Unida. A federal

appeals court upholding Texas SB4 enforcement has reignited protest energy. Organizer language was charged ("ready to fight back") but no violence occurred.

- Assessment: Follow-on demonstrations are likely this week. No events planned at or near the Four Seasons, but guests traveling to/from the Capitol, UT campus, or 6th Street should be advised of possible pedestrian congestion.
- Conviction Context: A federal jury convicted three ICE protesters on felony conspiracy charges May 28 ([The Guardian](#)). This may energize both activist and counter-activist factions locally.
- Recommended Action: Brief door and valet staff. Have concierge suggest alternate routes if protests resume near Congress Ave. Monitor [Hands Off Central TX](#) and [Austin Patch Calendar](#) for updated rally announcements.

2C — National Security Context

Source: [DNI 2026 Annual Threat Assessment](#)

- The IC's 2026 Assessment identifies domestic violent extremism and lone-actor threats as the top homeland security concern, with soft targets (hotels, houses of worship, entertainment venues) remaining high on extremist targeting lists.
- A shooting outside a San Diego Islamic Center in late May 2026 prompted Austin-area mosques to review security protocols. This underscores elevated risk for high-profile, visible institutions. The Four Seasons, as one of Austin's most recognized luxury properties, warrants vigilance for ideologically motivated targeting, disgruntled individuals, and copycat behavior.

SECTION 3 — EVENT LANDSCAPE & CROWD INTELLIGENCE

Sources: [American Arenas Austin June 2026](#), [Axios — ATX TV Festival](#)

High foot traffic expected downtown today. Plan accordingly.

Event	Venue	Distance	Est. Crowd	Risk
ATX TV Festival (Final Day)	Paramount Theatre, 713 Congress Ave	0.5 mi NW	High — celebrity guests, press, fans	MODERATE
Belle and Sebastian Concert	ACL Live @ Moody Theater	0.7 mi NW	~2,750 (near sellout)	LOW-MOD
NCAA Baseball Regionals	UFCU Disch-Falk Field, E MLK Jr Blvd	1.6 mi NE	Up to 7,500 fans	LOW
Antone's: Blue Monday	213 W 5th St	0.6 mi W	~700 club capacity	LOW
Sunset Strip Comedy Night	214 E 6th St	0.4 mi SW	Small venue	LOW

ATX TV Festival Intelligence Notes:

- The festival's 15th anniversary drew celebrity talent for House of the Dragon Season 3 preview and the Everybody Loves Raymond 30th reunion.
- Industry VIPs, entertainment press, and fan gatherings in the Congress Ave corridor increase the likelihood of notable individuals transiting the property or seeking hotel services.
- Front desk and concierge should be prepared for elevated walk-in inquiries. Maintain standard guest confidentiality protocols — do not confirm or deny specific guest names.
- Post-event crowd dispersal along Congress Ave and 2nd St expected between 2200–2330 hrs.

SECTION 4 — PROPERTY-SPECIFIC SECURITY REMINDERS

Access Control & Perimeter

- Valet and front entry congestion expected mid-morning through evening; reinforce single-entry discipline and guest vs. vendor lane separation.
- ATX TV Festival final-day surge may increase unescorted entry attempts from non-guests seeking restrooms, lobby access, or celebrity proximity. Reinforce 'guest of the house' challenge protocols with bell and concierge staff.
- West 6th Street fire (Bar Peached) investigation is active — if individuals claim to be fire investigators or insurance adjusters asking about area properties, verify credentials before granting access or information.

Behavioral Indicators — Watch For

- Individuals loitering in lobby or vehicle drop-off area without apparent purpose or waiting for anyone.
- Photography of entry points, camera positions, or staff movements (distinct from standard tourist photography of the building exterior).
- Individuals asking unusual questions about VIP guest names, specific floors, or room assignments.
- Emotionally agitated individuals in the lobby — may be protest overflow, personal dispute spillover, or a targeted visit.

Cyber / Fraud Awareness

- With large events downtown, social engineering attempts (vishing/phishing) posing as event staff, festival coordinators, or hotel reservation agents are statistically elevated. Verify all payment and reservation changes through confirmed back-channels only.
- Guest Wi-Fi hygiene: front desk should not share network credentials informally. Direct guests to the official in-room card.

Guest Advisory Talking Points (Concierge-Ready)

- Congress Ave corridor: Possible pedestrian protest activity; allow extra transit time if heading to the Capitol area.
- Parking / Valet: Elevated volume today — advise guests to allow 15–20 extra minutes for valet retrieval during peak hours (12–2 PM and 5–9 PM).
- ATX TV Festival: Final programming day — crowds near Paramount Theatre on 6th/Congress intersection.
- Heat: Outdoor activities near the lake or pool should include proactive hydration. UV index will be high by noon. Sunscreen available at pool deck.

SECTION 5 — LOOK-AHEADS (Next 48–72 Hours)

Timeframe	Item	Action Required
Tonight	Post-ATX TV Festival crowd dispersal along Congress/6th	Maintain exterior awareness through 2300 hrs
Tonight	Post-Belle and Sebastian crowd on W 2nd / Willie Nelson Blvd	Valet heads-up for street congestion
Tue–Wed	Thunderstorm probability returns	Pre-brief outdoor F&B; and pool operations; have inclement weather plan ready

Timeframe	Item	Action Required
Ongoing	ICE protest potential continuation near Capitol	Monitor; no action unless approaching property perimeter
Ongoing	U.S. Marshals fugitives at large (Talamantes, Waguespack)	Photos available via USMS; brief security supervisor on descriptions
Ongoing	National ATA threat posture for soft targets	Maintain heightened standard awareness protocols

SECTION 6 — EMERGENCY CONTACTS & RESOURCES

Resource	Contact
Austin Police Dept (Non-Emergency)	(512) 974-2000
APD Downtown Division	(512) 974-5200
Austin Fire Department	(512) 974-0130
FBI Austin Field Office	(512) 346-6878
NWS Austin	weather.gov/ewx
APD Crime Stoppers	(512) 472-8477
Travis County Emergency Management	(512) 854-4663
Texas DPS Fusion Center (tip line)	1-800-832-8942
