Ensure loading dock drains are clear from overnight rain. Brief valet on wet-weather protocols. Staff commuting from south of Austin (I-35 S or US-183 S) should check roads.

US–Iran Burgenstock Talks RESUMING Saturday: US Special Envoy Steve Witkoff and Iranian FM Abbas Araghchi are both travelling to Switzerland Saturday for resumption of implementation talks. Israel-Hezbollah ceasefire took effect 4 PM Lebanon time Friday (brokered by US, Qatar, and Iran). Talks had been postponed Thursday amid fighting; ceasefire stabilized them. Next formal round scheduled June 23–25 in Washington, DC. Strait of Hormuz remains open, Iranian oil waivers active. Iran: 'No urgency but meeting planned in coming days.' Situation stabilizing. Foot traffic in East Austin and along Congress Ave elevated compared to a normal Saturday.

US–Iran Protest Watch — REDUCED (Downtown Austin / Capitol) — Israel-Hezbollah ceasefire took effect Friday. US-Iran implementation talks resuming in Switzerland Saturday. Domestic protest risk significantly reduced from Friday's ELEVATED status. Monitor social media for any residual demonstration activity near Capitol — unlikely given diplomatic progress. Standard posture.

2C — National Security Context

- US-IRAN TALKS RESUMING SATURDAY: Witkoff (US) and Araghchi (Iran FM) both heading to Burgenstock, Switzerland Saturday per Axios/Japan Times. - TROPICAL STORM ARTHUR REMNANTS: Pushed through SE Texas and western Louisiana Friday. Flood warnings were issued along the upper Texas coast. Arthur's moisture plume is the primary driver of weekend rain chances in central Texas. Drying trend expected Sunday as ridging rebuilds from the west.

- **HEAT WAVE BUILDING NEXT WEEK:** NWS Austin/San Antonio: 'A building trend of intense, humid heat is expected across South-Central Texas.' Highs climbing from low 90s up to 103°F by mid-week. Heat Advisory watch for Monday–Wednesday. Pool closures citywide mean hotel pool demand will increase significantly Monday onward.
- **KARMELO ANTHONY TRIAL EVIDENCE RELEASED:** Collin County court released trial evidence Friday (videos, photos, body cam) from the murder trial of Karmelo Anthony, sentenced to 35 years in prison for stabbing 17-year-old Austin Metcalf at a Frisco track meet in 2025. National media coverage renewed. No direct Austin threat; racially charged national narrative may generate protest activity at some Texas venues — low probability for Austin at this time.
