BOTTOM LINE: GAME DAY + SATURDAY NIGHT — Texas vs Florida at Darrell K. Royal Stadium (11:00 AM per City of Austin listing; ~100,000 seats; 1.5 mi N on San Jacinto Blvd, the hotel's own street) drives heavy pedestrian, rideshare and I-35 traffic; Austin FC vs Vancouver follows at Q2 Stadium (7:30 PM). Weather is benign: breezy and cool, high 69-72F, N gusts 25-35 mph through the morning, no advisories. Crime pattern to brief: Oct 13 note-passing bank robbery at the 100 block of Congress Ave (suspect arrested within 2 minutes; no device), Oct 16 shooting inside a moving vehicle at W 10th and N Lamar (possible suspect in custody; occupants knew each other), and the Sep 13 armed robbery of off-duty soldiers at E 6th and Sabine at bar close (3 arrested). Civil unrest is low: nonpartisan No Kings Vote Early events are voter-outreach focused with the Austin events in the suburbs and north Austin, but anti-ICE protests continue as a backdrop. US-Iran: no agreement in force; reporting is contradictory; no direct Austin nexus.

SECTION 2 — LOCAL THREAT PICTURE

2A — Active Incidents (Past 72 Hours)

Sources: CBS Austin / KEYE — Oct 16 downtown shooting, APD News Releases, City of Austin Events

Incident	Location	Relevance
TEXAS VS FLORIDA GAME DAY - DARRELL K. ROYAL STADIUM	DKR-Texas Memorial Stadium, 2139 San Jacinto Blvd (~1.5 mi N)	San Jacinto Blvd is the hotel's frontage street, so guest arrivals, valet queues and rideshare pickup will be congested. Opposing-fan visitors are likely among guests. Post-game crowds will push into the Red River, 6th Street and Rainey districts and the bars/restaurant. Confirm the kickoff time before shift briefing; listings vary.

Incident	Location	Relevance
DOWNTOWN ROBBERY / SHOOTING PATTERN - RECENT 72 HOURS TO 5 WEEKS	100 blk Congress Ave; W 10th & N Lamar; E 6th & Sabine	Congress Ave bank is roughly 0.2 mi from the property: expect elevated APD presence; no ongoing threat. The E 6th/Sabine armed-robbery pattern is directly relevant to guests walking to Saturday-night bars after game day; suspects are in custody but the tactic (bar-close, group targeting, getaway vehicle) persists. Advise concierge to steer late-night walkers to rideshare and to well-lit routes.
CAPITOL THREAT ARREST (SEP 30) - NO ONGOING THREAT PER DPS	Texas State Capitol (~0.5 mi N)	Informational: demonstrates the lone-actor threat pattern near downtown government sites. No change to posture. Capitol grounds close at 8 PM daily; DPS monitors demonstrations there.
US-IRAN WAR / TALKS - NO AGREEMENT IN FORCE	National / Gulf region (context)	No direct Austin nexus. Possible effects: fuel and energy cost swings, travel disruption for international guests, and protest activity at federal sites if strikes resume. Monitor for a sudden escalation that could change the heightened-awareness posture.

TEXAS VS FLORIDA GAME DAY - DARRELL K. ROYAL STADIUM: Texas Longhorns host Florida Gators; City of Austin lists an 11:00 AM start. Stadium capacity is roughly 100,000. A Waterloo Park tailgate runs 8 AM-noon (500 E 12th St, ~0.8 mi N). Expect heavy foot, rideshare and vehicle flow on San Jacinto Blvd, Red River, I-35 and the Cesar Chavez corridor from early morning, with egress and downtown bar traffic from mid-afternoon into the evening.
DOWNTOWN ROBBERY / SHOOTING PATTERN - RECENT 72 HOURS TO 5 WEEKS: (1) Oct 13: a man handed a Wells Fargo teller a note claiming he had a bomb at the 100 block of Congress Ave; APD arrested Makiya Johnson within about 2 minutes. No device reported. (2) Oct 16, ~7:18 PM: a driver was shot by someone inside his vehicle and crashed near W 10th St and N Lamar Blvd (~0.9 mi NW); he was in surgery; APD said all occupants knew each other and a possible suspect was in custody. (3) Sep 13, 2:25 AM at bar close: a juvenile robbed a woman near E 6th and Sabine, then he and a second juvenile (with a Draco rifle) robbed three off-duty Army service members, one shot in the face and survived; Alijah Rodriguez (18) and two juveniles were arrested Sep 22.
CAPITOL THREAT ARREST (SEP 30) - NO ONGOING THREAT PER DPS: Texas DPS and the FBI arrested Benny Caldera Jr., 40, of Converse on Sep 30 after credible information of a planned violent attack on the Capitol on Oct 1. He was charged with felony terroristic threat against a public servant, then taken into federal custody on additional federal charges. An official briefed on the case told ABC News he had been threatening a mass shooting and had been collecting ammunition and guns. DPS stated there is no reason to believe there is an ongoing threat to the Capitol, legislators, staff or the public.
US-IRAN WAR / TALKS - NO AGREEMENT IN FORCE: The June 17 Islamabad memorandum collapsed over shipping in early July and one tracker reports it expired unextended Aug 17. Reporting on current status is contradictory: Iranian and Reuters-sourced reports describe intensified efforts toward a preliminary deal and a frozen-funds mechanism, while others report US-Iran air strikes and Iran calling the ceasefire meaningless. Mediators (Qatar, Pakistan, Egypt) continue to pass messages. One analysis says Washington has pledged no strikes before the Nov 3 midterms. Treat the situation as unresolved and volatile.

2B — Civil Unrest / Protest Activity

Sources: Indivisible — No Kings Austin, Austin Statesman — ICE shooting protests

- No Kings: Vote Early - Austin Events (Circle C (9-10 AM), Onion Creek (10 AM-noon), First UU Church, 4700 Grover Ave (2-5 PM)) — Nationwide 'No Kings: Vote Early' day (2,500+ events) is billed as nonpartisan voter participation, not purely a protest; organizers prohibit weapons and civil disobedience. Austin listings are outer-area or north-central (4700 Grover Ave is ~4 mi N). None are listed downtown today, unlike the March 28 No Kings march from City Hall to Auditorium Shores that drew thousands. Spontaneous downtown turnout is possible given the wider political climate.

Anti-ICE Protest Backdrop (Garces Perez Shooting) (Texas Capitol; Anderson Sq / Research Blvd (N Austin)) — Protests have continued since the Sep 20 shooting of Wilber Rafael Garces Perez by an ICE officer in North Austin. Capitol-area crowds were ~150-200 and dispersed peacefully; the N Austin site saw 4 arrests on riot-related charges on Sep 20 and a City Council candidate was arrested Sep 26 on a riot-participation warrant. A federal judge temporarily halted his deportation. No specific downtown action is announced for today, but flash demonstrations at the Capitol remain possible (grounds close at 8 PM).

2C — National Security Context

- US-Iran: the June 17 memorandum has collapsed; Qatar-mediated indirect talks continue over sequencing (Hormuz reopening vs blockade relief) and a frozen-funds mechanism. Sources disagree on whether recent strikes occurred and whether a preliminary deal is close; treat as unresolved. Possible energy-cost and travel effects only.
- Political climate: nationwide No Kings: Vote Early (Oct 17-18) focuses on voter turnout ahead of the Nov 3 midterms; organizers stress nonviolence and no weapons. Anti-ICE tension in Austin persists after the Sep 20 Garces Perez shooting; Capitol-area demonstrations have been peaceful.
- Lone-actor threats: the Sep 30 arrest of a man accused of planning a mass shooting at the Texas Capitol shows the threat pattern near downtown government sites. DPS reports no ongoing threat.

SECTION 4 — PROPERTY-SPECIFIC SECURITY REMINDERS

- BRIEF door, valet and concierge on Texas vs Florida: San Jacinto Blvd congestion from early morning, rideshare staging, and a fan-heavy lobby/bar. Confirm the kickoff time and road closures with APD downtown before the shift.
- SECURE outdoor items before 10 AM: N winds gust 25-35 mph. Anchor valet signage, umbrellas, patio furniture and event decor.
- BRIEF concierge to steer guests walking to E 6th/Red River after dark to rideshare or lit routes; cite the Sep 13 bar-close armed robbery of soldiers at E 6th and Sabine (suspects now in custody).
- LOG Congress Ave bank robbery (Oct 13, note claimed a bomb, no device): remind front desk and valet of bomb-threat and suspicious-person reporting procedure; no change in posture.
- STAFF the lobby bar and restaurant for post-game surge (afternoon through evening) and late-night after Austin FC (match ends ~9:45 PM).
- MONITOR the Texas Capitol (0.5 mi N) for flash demonstrations tied to No Kings or anti-ICE activity; Capitol grounds close at 8 PM. Escalate to the duty supervisor if crowds exceed 200 or move toward downtown.
- VERIFY CCTV, door-lock and panic-button function; ensure the on-duty supervisor has the APD Downtown Division number (512) 974-5200.
- NOTE for overnight: Saturday bar close is 2 AM. Increase exterior patrols and valet lane coverage 1:30-3:00 AM.
