Robbery-Homicide — E. Riverside AutoZone (SUSPECT AT LARGE): APD released new video June 18 of suspect wanted in the fatal shooting of Jose Salgado-Amador, 28, during a robbery at the E. Riverside AutoZone parking lot. Suspect: Hispanic male, 15–20, gray hoodie, fled in a light-colored sedan. Case is Austin's 27th homicide of 2026. Suspect remains unidentified and at large. \$1,000 reward active. Suspect at large with lethal-force robbery history. Brief ALL valet, bellstand, and exterior staff. Report suspicious loitering to APD Crime Stoppers (512) 472-8477.

Case is Austin's 29th homicide of 2026. APD investigation ongoing; no suspect identified. Third in a SE Austin homicide cluster this week. No direct threat to property. Situational awareness for staff commuting on S. I-35 service road. No suspect or connection to downtown.

I-35 Hit-and-Run Arrest — Suspect Identified: APD arrested a woman in connection with the hit-and-run crash that killed a pedestrian on the downtown I-35 service road on June 13. Suspect is in custody. Case closed for active threat purposes. Positive development — active threat from at-large vehicle suspect resolved. No direct impact to property.

West Campus Serial Burglar/Assault Arrested — Octavius Brown: APD arrested Octavius Brown, a repeat offender, for three apartment break-ins on West Campus (June 10) including a sexual assault of a sleeping victim. Brown was recently released from jail in April and admitted to the crimes. Charged with burglary of habitation with intent to commit sex offense. Currently in Travis County Jail. Primarily a UT-area threat. Brown is in custody — no direct ongoing threat to property. Awareness flag: Juneteenth crowds near campus create opportunity for similar predatory activity. Brief front desk staff on suspicious behavior protocols.

US–Iran Burgenstock Talks POSTPONED — MOU Under Pressure: The US–Iran implementation talks at Burgenstock have been POSTPONED. Iran's IRGC hardliners objected to a public ceremony with US officials; JD Vance cancelled his Switzerland trip. Iran has reportedly suspended the 60-day negotiation window. Separately, Israel resumed airstrikes on Lebanon (16+ killed Friday), accusing Hezbollah of ceasefire violations. The MOU remains electronically signed (June 18) but implementation is now in jeopardy. Strait of Hormuz remains open per MOU terms. ELEVATED watch for domestic protest activity today. Both pro-Iran groups (angered by Israeli attacks) and anti-Iran groups (concerned about deal collapse) may demonstrate. Juneteenth crowds provide cover for larger gatherings. Monitor Capitol area and UT. Notify Director of Security of any organized demonstrations approaching downtown.

Juneteenth Parade & Events — East Austin (ROAD CLOSURES IN EFFECT) (E. 12th Street / MLK Blvd, East Austin) — Juneteenth Parade runs 10 AM–noon along E. 12th Street and MLK Blvd. Road closures east of I-35 in effect beginning ~8 AM. AACHF Fun Run at 1300 E. MLK & Leona St (morning). All-day festival at Rosewood Neighborhood Park, 2300 Rosewood Ave. Music Under the Stars at Capitol Mall Amphitheater (Bullock Museum) 7–9 PM — Rochelle & the Sidewinders (7 PM), Tameca Jones (8 PM). City of Austin, City courts, UT Austin, Travis County offices ALL CLOSED. Large crowds expected throughout day in East Austin; some dispersal to downtown after parade.

US–Iran MOU Collapse Watch — Protest Potential ELEVATED (Downtown Austin / Capitol / UT Austin Campus) — Burgenstock talks postponed, Israel resumed Lebanon airstrikes (16+ killed Friday). This combination creates elevated risk of spontaneous protest activity — pro-Palestinian and anti-Iran factions both have motivation to demonstrate. No confirmed organized protest events in Austin, but Juneteenth crowds citywide provide assembly opportunity. Monitor social media for pop-up activity near Capitol, UT campus, or Congress Ave. APD likely has augmented Juneteenth presence downtown.

2C — National Security Context

- US–IRAN MOU BURGENSTOCK TALKS POSTPONED: Iran's IRGC hardliners objected to a public ceremony with US officials; Iran reportedly suspended 60-day negotiation window. JD Vance cancelled Switzerland trip late Thursday. Swiss Federal Dept of Foreign Affairs confirmed: 'Talks postponed — preparatory work continues.' Cause: Israel resumed Lebanon airstrikes Friday (16+ killed), accusing Hezbollah of ceasefire violations. MOU remains signed (June 18) but fragile. Strait of Hormuz still open per existing MOU terms.

Elevated domestic protest watch — both pro-Palestinian and pro-deal factions may react.

- JUNETEENTH — FEDERAL & STATE HOLIDAY: June 19 marks 161 years since Maj. Gen. Gordon Granger announced freedom for enslaved people in Texas (1865). Federal holiday observed nationwide. Austin's Juneteenth Parade on E. 12th Street; festival at Rosewood Park; free concert at Capitol Mall Amphitheater 7–9 PM. City of Austin, Travis County, UT Austin all closed.
- FIFA WC DAY 9: USA vs. Australia (3 PM ET, Lumen Field Seattle — FOX). Scotland vs. Morocco (6 PM ET). Brazil vs. Haiti (9 PM ET). USA match is highest watch party draw in Austin. No Austin Q2 Stadium matches today.
- TROPICAL STORM ARTHUR AFTERMATH: Remnants pushed inland through SE Texas / western Louisiana. Flash flood risk from Arthur's moisture plume: Level 2/4 for central TX Friday. 5–10 inches of rain possible from upper TX coast through Louisiana/Mississippi. Austin impact: elevated storm risk late Friday, residual moisture through weekend.
- ISRAEL-LEBANON: Israel resumed airstrikes on Lebanon Friday (16+ killed), accusing Hezbollah of violating ceasefire terms. Iran threatened to collapse the MOU unless Israel halts attacks. Situation fluid — monitor for rapid escalation or de-escalation over weekend.
